Honorable  
Melvin Price  
United States House  
of Representatives  
Washington, D. C.

Dear Mr. Price:

I noted your article, "U.S. Secrets for Sale--\$50 Apiece!" in the December issue of Argus magazine. I wanted to let you know that I looked it over with considerable interest and think you have done the country a good service.

With best wishes,

Sincerely,

**MEMORANDUM FOR THE DIRECTOR:**

1. This memorandum is for information only.
2. This is an interesting article by Congressman Price on how easy it is for the Soviets to get information in the United States, particularly official information. It is not, however, comparable to the Lincoln report.
